

# Preparing Backing for a Queen/King Quilt

By Donna Robertson

Material: 9 yards of 44" wide fabric

Step 1. Cut 9 yards of fabric into 3, 3 yard pieces.

Step 2. Trim off the selvage edges.

Step 3. With right sides together, using a 1/2" seam allowance, sew trimmed selvage edges together to get a 108" x 126" backing fabric. (due to variable widths of fabric you may get an inch or two more than 126")

Step 4. Turn backing so that the width is 126" and the length is 108". This will be plenty of fabric to back any one of the Fabric Cafe 4-kit bundle, Queen/King quilts.
