

# Preparing Backing for a Twin Quilt

By Donna Robertson

Material: 5 yards of 44" wide fabric

Step 1. Cut 5 yards of fabric into 2, 2½ yard pieces.

Step 2. Trim off the selvage edges.

Step 3. With right sides together, using a ½" seam allowance, sew trimmed selvage edges together to get a 84" x 90" backing fabric. (due to variable widths of fabric this is not an exact width measurement)

Step 4. Turn backing so that the width is 84" and the length is 90". This will be plenty of fabric to back any one of the Fabric Cafe 2-kit bundle, Twin quilts.
