Correction for Dominique (pattern code 091825).

Please note: the last few words were omitted from Step 7, it should read as follows:

**Step 7: Binding**

For binding, using fabric #1 binding strips, sew strips together end to end. Press in half with wrong sides together; press one raw edge to center fold. With right sides together, using a scant  $\frac{1}{4}$ ", sew unpressed edge of binding to quilt, mitering corners. Press and fold to back; hand stitch in place.
